# Our Testbed WG's Role

- Evaluate other approaches
  - NSF/DARPA/BBN GENI
  - EuroNGI FIRE

➔ Define our own approach
- Build consensus from other WGs
  - New and novel testbed
- Build a testbed before consensus is built
  - “Playground” for new breakthrough technologies

# Existing Testbeds

- KOrea advanced REsearch Network (KOREN, NIA)
- Sensor Netowrk Testbed (GIST)
- BcN testbed (KT)
- 3G/3.5G testbed (SKT)

# What will it not be?

---

- New super optical networking testbed

# What will it be?

- Federated High-End PlanetLab?
- Open Testbed for New Mobile/Wireless Technologies
